MOOD ENHANCER† PROBIOTIC

Up to 90% of serotonin is
made in your gut

Serotonin is our "feel-good hormone," that promotes positivity, focus, and restful sleep. Ombre uses probiotic strains that support natural serotonin production, healthy sleep patterns, and digestion – all essential to enhance your mood!

Our Mood Enhancer† probiotic has been formulated with clinically proven strains that:

- ✓ Promote a calm mind during occasional stress†
- ✓ Support healthy sleep patterns†
- ✓ Ease occasional constipation and other digestive issues†
- ✓ Maintain memory recall and mental sharpness†
- ✓ Provide neuroprotective benefits†
