LHBX05802.F01 BLK580F

Formulated with IP-6 and inositol

Specialized Blend for Immune System Support*

Supports natural
killer cell activity*

Contains IP-6 and inositol for immune system support*

Inositol is a type of sugar that is a component of cell membranes

Good source of calcium, phosphorus, and magnesium

IP-6 & inositol supports the immune system.* While IP-6 is found in rice bran and other foods, there are good reasons to take an IP-6 & inositol supplement. IP-6 is often lacking in foods that have been processed since IP-6 is usually found in bran or hull, which is often milled away.
