Dietary Supplement

Echinacea

For Immune Health

Echinacea and Goldenseal have been traditionally used to support immune health. It is thought to be beneficial for fighting off infections, common cold, and flu.

Store at room temperature. Avoid high humidity, direct sunlight, and excessive heat to maintain optimum potency and freshness.

Warning:

This product can be a choking hazard. Keep out of reach of children. Not intended for use by persons under the age of 18. This product should not be taken by those with auto-immune conditions or those who are allergic to Compositae flowers (daisy family). If you are pregnant, nursing, taking any medications, or have any medical conditions, please consult your physician before use. Discontinue use and consult your physician if any adverse reactions occur.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any diseases.
