About Black Elderberry

For centuries European black elderberries (*Sambucus nigra* L.) have been traditionally used for immune support during the winter months.* You can take elderberry extract daily for year-round traditional immune support.*

Superior Quality

Each elderberry is 100% hand-picked and harvested at just the right time. Berries are carefully inspected for quality and frozen on the same day they're picked to preserve them at their peak. We never use artificial colors – the proof is in the berry!

Daily Traditional Immune Support Syrup*
