Contains fish.

Alka Omega³

Pure and Natural Source
of Omega-3 Fatty Acids

Wild Alaskan Sockeye Salmon Oil
Dietary Supplement

90 Softgels
Fish-based Gel Caps

1000 mg

After years of research, Morter HealthSystem has released our own Alka•Omega³™ fish oil. Our select Alaskan sockeye salmon are among the purest of all ocean fish. Consistently testing free of hazardous levels of contaminants, they are also the richest of all salmon species containing the antioxidant, Astaxanthin, a powerful biological carotenoid antioxidant. The natural EPA and DHA levels in our capsules reflect those actually found in wild salmon, enhancing bioavailability and ease of absorption. Consuming fish oil in its natural state, enhances our delicate Alkaline balance.

SUGGESTED USE: Take up to three softgels daily, preferably with meals, or as recommended by a health professional. Keep out of reach of children.

Product has been sealed for your protection.

Do not use if seal on cap is broken.

Store in a cool dry place.
