Alka•Pan® is designed to reduce stress in the body and aid digestion. The body's pancreatic enzymes work as a "clean-up" system, and Alka•Pan® is used to supplement the functioning of an exhausted system. Best taken with high protein (meat) meals.*

Directions: Adults – Take one tablet daily with light meals. Two tablets with heavier meals containing fat, protein or fried foods, or as directed by your physician.

Warning: Do not take if you are pregnant or nursing.
