

PURE GARCINIA CAMBOGIA aids in weight loss and overall wellness by inhibiting fat production, suppressing appetite and improving mood. Helps block fat and build lean muscle when used in conjunction with a healthy diet and exercise program.*

Suggested Use: For diet supplementation, we offer varying dosage recommendations, based on individual weight loss goals. When initially beginning a dieting program with Garcinia, we recommend starting with the Standard Diet Dose and adjusting up or down as needed.

Maintenance Dose: Adults, take 1 capsule once daily, 30 minutes to an hour before food with a full glass of water, or as recommended by your healthcare professional.

Standard Diet Dose: Adults, take 2 capsules once daily, 30 minutes to an hour before food with a full glass of water, or as recommended by your healthcare professional.

Maximum Diet Dose: Adults, take 2 capsules twice daily, 30 minutes to an hour before food with a full glass of water, or as recommended by your healthcare professional.

Warning: Not intended for use by persons under the age of 18. If you have any medical condition or are taking any medication, consult a medical professional prior to use. To report any adverse effect, call 1-800-332-1088
