

JOINT REPAIR GCM is designed for anyone suffering from joint pain resulting from arthritis, exercise, or normal wear and tear. The ingredients in **JOINT REPAIR GCM** – Glucosamine sulfate, chondroitin sulfate and MSM have been clinically proven through years of research to improve joint mobility, repair and rebuild cartilage, and promote increased liquidity within the joints. **JOINT REPAIR GCM** also has added Boswellia, a natural herbal remedy shown to reduce swelling, improve mobility and help prevent arthritis. As if that wasn't enough, we've included Hyaluronic Acid to improve cushioning of the joints and reduce wrinkles. Put an end to "creaks" and pains. **JOINT REPAIR GCM** picks up where nature left off to rebuild cartilage, repair joints, and relieve pain.

Suggested Use: Take 3 capsules twice daily with water.

Warnings: KEEP OUT OF REACH OF CHILDREN. Always consult a physician prior to using any dietary supplement. Do not use or combine with other dietary supplements. Do not use if you have or are being treated for prostate hypertrophy or cancer, heart, liver, cardiovascular, kidney or thyroid disease, high blood pressure, low hdl, taking antidepressants, MAO inhibitors, prescription drugs or any over the counter prescription drugs containing ephedrine or pseudoephedrine.
