OTHER INGREDIENTS: Dicalcium phosphate, whey (milk), gelatin (capsule), microcrystalline cellulose, magnesium stearate, stearic acid, silicon dioxide, lecithin (soy), titanium dioxide, FD&C Red #40, FD&C Blue #1.

INGREDIENT NOTES: Longjack Extract Complex is a proprietary blend of Eurycoma Longifolia, including patented LJ100™ standardized for 28% bioactive glycopeptide compounds and 40% glycosaponins. Calcium D-Glucarate is protected under U.S. Patents #4845123, #5364644, #5561160.

DOSAGE: Take a single pack daily for 21 straight days. On training days, take it 30-45 minutes before lifting. On non-training days, take it between meals, on an empty stomach whenever possible. For best results, "cycle" this product following a schedule of three weeks on and one week off. Best results if used by those who are 25 years or older. However, due to its ability to help modulate free test levels, it could benefit others as well. Consider "stacking" Animal Stak with either Animal Test or Animal M-Stak for even greater gains. For more stacking information, go to www.animalpak.com.

WARNING: Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing or have a serious medical condition. Consult a physician before using this product. Use of this product may be banned by some athletic associations. Athletes should definitely consult with their sanctioning authority before use. Exercise good judgment and keep this out of reach of children. To keep it as fresh as possible, store this product in a cool, dry place, away from heat, moisture and sunlight. You know the drill.

IRONCLAD GUARANTEE: For over two decades, Animal has been dedicated to being the best in the business. Period. That's why we stand behind every single product we make with unrivaled support and our special Ironclad Guarantee. You got a question? Get in touch. Product don't meet your requirements? Take back what's left, along with your receipt, to where you bought it for a full refund or exchange. That's it. No questions asked.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

WHO WE ARE In 1983, Animal was founded with the birth of Animal Pak, the venerable training "pack" that started it all. Born from the real needs and desires of professional bodybuilders, Animal has grown prodigiously over the decades. Today, as yesterday, the name Animal stands for trust, integrity and a unique no nonsense approach to the game. Animal also represents a group of products that have stood the test of time, proven again and again in the labs, and in the trenches where it counts most... The gym and the stage. Dedicated to serious nutrition for the serious athlete, Animal is your choice when it comes to complete and comprehensive supplementation. Animal. The choice of champions. **WHAT ANIMAL STAK® IS** To get jacked, you gotta raise the level of your game—get your training and diet dialed in. This is what you can control, your external world. But you also gotta maximize your internal world, your anabolic "potential", and take advantage of all of the hormones coursing through you including testosterone among other things. Stuff like estrogen, DHT, cortisol, you want to minimize. Do both, and the possibilities open up. That's why you're using Animal Stak. So take control of your world, your destiny. What are you waiting for?

Training Supplement | 21 Packs | The Complete Anabolic Stack | Testosterone Optimizers | Stak Secretagogues | DHT Blockers | Aromatase Inhibitors | Liver Detox
