Collagen is a protein responsible for keeping the skin's structure and strength intact—but over time the body's natural collagen levels deplete, revealing unwanted signs of aging. Joyōme's Multi-Action Collagen Complex works in 3 powerful ways to reduce fine lines and wrinkles, increase elasticity, and reveal hydrated, smooth skin.*

Joyōme's Multi-Action Approach

- Supports the skin structure with 5 g of collagen protein per serving*
- Helps stimulate natural collagen production*
- Helps protect structural skin proteins, reducing collagen breakdown*
