

Biofilm Neutralizer*

Serrapeptidase, EDTA, trypsin, and lipoic acid to help regulate the effects and integrity of biofilms.* Developed by Darin Ingels, ND, and Allergy Research Group®.

Suggested Use

As a dietary supplement, 1 capsule one or two times daily between meals, or as directed by a healthcare practitioner.

Caution: EDTA is known to deplete minerals, so repletion is suggested. Higher doses or long-term use require the guidance of a qualified healthcare practitioner with ongoing monitoring of liver and kidney function.

Keep in a cool, dry place, tightly capped.
