Take 1/2 tsp daily or as directed by a
physician.

Supplement Facts

Serving Size: 1/2 Teaspoon (3g)
Servings Per Container: 151

Each Serving Contains	Amount per Serving	% Daily Value
Vitamin D3 (as Cholecalciferol) 175 IU	4.4mcg	22%
Calcium (from Calcium Carbonate, Citrate)	1000mg	77%

Other Ingredients: None

Calcium is a mineral that is an important component of
a healthy diet and necessary for life. Approximately 98%
of the body's calcium is stored in bones and teeth.
Calcium is critical for building bones and teeth during
childhood and for maintaining strong bones and teeth
thereafter. In the rest of the body, calcium supports heart
function, circulation, nerve function, and muscle tone.[†]
