THE ART OF FORMULATION

Guided by 40+ years of formulation expertise, our Master Herbalist selected the most remarkable, science-backed flowers, traditionally revered for optimal management of our response to stress.* Stress Therapy is synergistically designed and rigorously tested for uncompromised purity and potency in every cup.

THE POWER OF INFUSION

Sip your way to inner strength. Stress Therapy is designed to bathe your mouth—the entrance to the immune system—signaling tranquility and wisdom when you need it most.*

OUR SCIENCE

Our formulation is validated to deliver key polyphenols including neuroprotective apigenin and is clinically proven to significantly enhance adaptability to stress, sustained energy, and mental well-being.*

IT'S LIKE MAKING TEA

To activate proven benefits and experience optimal flavor:

1. Heat 12oz water to almost a boil.
2. Pour water over infusion bag.
3. Cover & steep for 10 minutes.
4. Remove infusion bag, and enjoy hot or iced.
