Warning: KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF PREGNANT OR NURSING. NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. Consult a physician before use if you have a medical condition or are taking any medication. Discontinue use two weeks prior to surgery. Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Vitamin K2 may counteract the effects of anticoagulation therapy, and therefore is not recommended for patients on blood-thinning medications.
