

Suggested Use: Mix 1 scoop into 12-14 ounces of water and consume 20-30 minutes prior to exercise. Vary the amount of water to achieve your desired flavor level. PRE is extremely powerful, first time users should begin use with 1/2 scoop or less to assess your tolerance.

Warning: KEEP OUT OF REACH OF CHILDREN. Do not use if pregnant or nursing. Not for use by individuals under the age of 18 years and those sensitive to caffeine. Consult a physician before use if you have a medical condition or are taking any medication. Discontinue use two weeks prior to surgery. For occasional use only. Not intended for use as a substitute for sleep. Do not use with caffeine-containing medications, foods or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness and occasionally rapid heartbeat. In case of accidental overdose, seek professional assistance or contact a poison control center immediately. Discontinue use and consult with your health care professional if you experience any adverse reaction to this product. Do not consume more than 1 serving daily. CONTAINS 350 MG OF CAFFEINE PER SERVING. Drink at least 16-32 ounces of additional water per day when using Creatine. Do not use under extreme conditions of heat, CARDIOVASCULAR EXERTION or dehydration.
