

BRICKER LABS

SUPER HIGH-TECH

AMINO SUPREME

HYDROLYZED PROTEIN CONCENTRATE-PLUS

Dietary Supplement

240 TABLETS

SUGGESTED USE: As a dietary supplement, take 5 tablets 1-3 times daily as appropriate and after high intensity workouts. More than a total of 2 grams of protein per kilogram of bodyweight per day is not recommended.

SCIENTIFIC RESEARCH has shown that the most difficult part of maintaining a "lean" diet is getting enough calories from protein (Amino Acids), without also adding fat or carbohydrates.* **BRICKER LABS** offers fat-free, sugar-free **AMINO SUPREME™**, a high-quality concentrated enzymatic hydrolysate of egg white and casein—now with both free-form, di- and tri- peptide amino acids.

Manufactured Exclusively For: **BRICKER LABS**
