

The seeds of the Horse Chestnut tree contain a biologically active compound called aescin. As an active ingredient, aescin helps promote healthy circulation and fluid balance in the legs.*

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Avoid this product if you have liver or kidney disease. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
