

2 BOTTLE BONUS PACK!

THE HCG

100% SOLUTION™
Hormone Free

The NiGen Guarantee:

Do not settle for substitutes or products claiming to be "Homeopathics" manufactured from unauthorized animal parts. NiGen BioTech guarantees that its branded "HCG Solution" contains the full spectrum of human chorionic gonadotropin amino acid isolates derived from certified grade raw materials (the very purest materials available) which are then processed according to GMP (Good Manufacturing Practices), is made in the U.S.A. and is hormone free. For your convenience, "HCG Diet Plan" resources are enclosed.

Weight Loss Breakthrough?

You've seen them on TV, you've read about them in magazines and on the internet. They're HCG diet plans, and they've got to be the most controversial, purported weight-loss plans of all time. There are literally thousands of brands and hundreds of combinations of orally administered so-called HCG products to be had. But do any of them really work? To tell you the truth, almost every expert will say either "absolutely not," "the reduced calorie diet plan caused the weight loss" or "the weight loss was the result of the placebo effect." Yet the fact remains that tens of thousands of men and women swear by it... just ask your friends.

But if you're going to try an oral formula and see what all the fuss is about, make sure the formula you choose is processed according to Good Manufacturing Practices (GMP) and made in the U.S.A. Do not settle for substitutes or products claiming to be "Homeopathics" manufactured from unauthorized animal parts.

NiGen BioTech™ guarantees that its branded "HCG Solution" contains the full spectrum of human chorionic gonadotropin amino acid isolates derived from certified grade raw materials (the very purest materials available) which are then processed according to GMP (Good Manufacturing Practices), is made in the U.S.A. and is hormone free. For your convenience, "HCG Diet Plan" resources are enclosed.

* Percent Daily Values are based on a 2,000 calorie diet.
† Daily Value not established.

*Contains the same amino acid constituents of HCG.
Other Ingredients May Include: Water, Glycerin, Sorbitol, Sucralose, Natural and Artificial Flavors, Lactic Acid, Sorbic Acid, Sodium Benzoate, Xanthan Gum.

Directions for use: Adults take 1 mL by mouth before 2 main meals, for a total of 2 servings per day. Due to the consistency of the formula it may be necessary to wipe the plunger on the inside of the bottle to expose the dosage line. Shake well before use. Refrigerate after opening.

WARNING: This product contains a significantly potent xanthine (i.e., caffeine and caffeine-like stimulants) mixture, of about 50 mg per serving. Consult your physician before use if you are sensitive to stimulants. Do not exceed suggested daily serving. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing.

Use only as directed. Keep out of reach of children.
WARNING: Our HCG Solution™ has been tested for natural herbal compounds that enhance the weight loss experience. However, this results in a dark brown color which is perfectly natural and normal. You will also notice our new chocolate-mint flavor.

PHENYLETHANOLAMINE CONTAINS PHENYLETHANOLAMINE.

NOTE: Limit the use of caffeine-containing medications, foods or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness and occasionally rapid heart beat. For additional information on this product, please call our experienced customer service representatives at 1-800-414-4220.

If you or your health care provider have any questions, please call: 1-800-414-4220.
