

Grapeseed Extract contains polyphenolic compounds. Polyphenols are naturally occurring bioflavonoids which function as antioxidants to help fight free radicals.* Free radicals can cause oxidative stress which may damage cells.* The seeds of grapes can have a positive effect on heart health.*

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
