

Zinc (as Zinc Gluconate) is an essential mineral for growth, development and the health of human body tissues. Zinc provides support and stimulates healthy immune system functions, enzymatic reactions, cellular regeneration and it is vital for protein synthesis.*

Suggested Use

As a dietary supplement, take one (1) tablet daily preferably with a meal or as directed by a healthcare professional.

CAUTION

Consult a healthcare provider prior to use if pregnant, nursing, on medications, have a medical condition or are planning a medical procedure. Stop use and contact a physician if adverse reactions occur.

STORAGE

Store at room temperature 59° - 86°F (15° - 30°C).

Keep bottle tightly closed.

DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING.

*This statement has not been evaluated by the Food and Drug Administration (FDA). This product is not intended to diagnose, treat, cure or prevent any disease.
