

RECOMMENDED USE:

Take 3 dropperfuls at bedtime. Increase up to six times per day as needed. One dropperful is one full squeeze of the dropper bulb.

A deep sleep can put a spring in your step, and have you feeling your best. Lengthen your deepest, most satisfying periods of sleep with this blend of herbs that are historically recognized to dissipate physical tension, and calm your body and mind. It may also be used for that occasional restlessness that may affect your normal sleep patterns.*
