

RECOMMENDED USE:

Take 4 capsules 1-3 times a day as needed.

Having your immune system in tip-top shape is especially valuable during times of seasonal stress. The herbs in Herbal Fighter work to assist the body in supporting healthy immune function anytime you need it. A winning combination of Goldenseal Root and Echinacea Angustifolia - generally known to be the strongest strain of Echinaceas - supports the body's rapid response to immune stressors.*
