

RECOMMENDED USE:

Take 3 dropperfuls one to three times per day as needed. You may take up to 12 squirts a day to increase the production and flow of your breast milk. One dropperful is one full squeeze of the dropper bulb.*

Every woman's body is different, each one beautiful, and we have carefully constructed this magical formula with you in mind. The herbs in Nursing Magic work together to support your body's natural production and flow of breast milk.*

For the best results, we recommend using this great formula in addition to Balance and Amazing Greens.*
