

RECOMMENDED USE:

Take 4 capsules daily. If odor persists, you may take up to 12 capsules a day. Reduce to 4 capsules a day once desired results are achieved.

Keep your insides as clean as you are on the outside. Unwanted toxins, and unbalanced pH levels can make your body produce odors no matter how clean you are. Smell Fresh contains herbs that are high in chlorophyll, a natural blood purifier and acid neutralizer, letting your own natural, fresh scent come through.
