CLEANSERIES OUR PROMISE

Twinlab Clean Series represents a new standard in trust and quality for sports nutrition products. Created from scratch with the single-minded purpose of proving that you don't have to sacrifice performance for peace of mind, this product is painstakingly produced in our own NSF® GMP for Sport registered facility and is held to the highest standards.

Contents Tested & Certified

Independently certified by the NSF® International product certification program to meet nutrient label claims.

Batch tested by HFL for banned substances in accordance with the HFL Informed Sport and Informed Choice programs.

Non-GMO
TESTED

NON-GMO TESTED: Independently PCR (Polymerase Chain Reaction) tested by a third party lab for genetically modified DNA to a limit of 0.9%.

TwinID™ Tested to confirm the identity of each and every ingredient through our rigorous testing procedures.

Certified Gluten Free by NSF®.
