

Nutritional Support for Healthy Digestive Function and Overall Well-Being.*

NaturesPlus® NutraSec® is an innovative breakthrough in gastric nutrition, promoting instant soothing comfort as well as healthy digestion.* NutraSec supplies unique nutrients, including alginates (extracted from sea vegetables), which form a gel that fights occasional heartburn with nutrients that keep stomach acids where they are needed and not irritating the tender esophagus. Keeping stomach acid in the stomach not only prevents heartburn but also yields superior digestion and better overall gastric health. NutraSec offers further digestive support with over 80,000 units of protein-, lipid- and starch-digesting enzymatic activity. NutraSec delivers instant soothing comfort and digestive support you can feel!*

Free from synthetic: colors, preservatives. Free from milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat, soy and sesame.

DIRECTIONS: As a dietary supplement for adults, chew 1 tablet after a meal, or as needed (up to 3 tablets) with 8 fl. oz. of water. Do not exceed 15 tablets in a 24-hour period.

WARNINGS: If you are taking prescription medications, consult your doctor prior to use. If symptoms of digestive discomfort persist for more than two weeks, discontinue use and consult a physician. Not to be used by children under 12 unless recommended by a physician.
