A lot of kids just don't like fish...we get it. But you know that the omega fats found in seafood are crucial for children's optimal brain and heart health.* That's why we've created Animal Parade. Omega 3/6/9 Junior, combining fish oil with three other omega-rich oils to provide six balanced fatty acids (including DHA and EPA)-all tucked inside a lemony, easy-to-swallow softgel your kids will love!

Free from synthetic: colors, preservatives. Free from milk, egg, crustacean shellfish, tree nuts, peanut, wheat, soy and sesame.
