

ISOTROPIN® is the most advanced
rejuvenation formula available for
men and women†

There are many symptoms of aging that negatively affect our quality of life. Increased body fat, loss of lean muscle tissue, lower energy levels, decreased sexual function, weakened immune function, and decreased skin tightness are just a few of them. ISOTROPIN® REJUVENATION is formulated to promote optimal health and vitality during the normal physiological aging process.

This unique effervescent delivery system guarantees rapid absorption of the most powerful and potent rejuvenation ingredients available. Effervescent powder helps buffer stomach acids for increased absorption. An overall improvement in general health and well-being occurs in most people after 30-90 days of continual use.

ISOTROPIN® REJUVENATION nourishes
your whole body and helps:

- ▶ Promote Health, Longevity & Well-Being†
- ▶ Improve Energy Levels†
- ▶ Support Endocrine Function†
- ▶ Promote Healthy Metabolism & Lean Body Mass†
- ▶ Support Immune Function†
- ▶ And much more...

*Percent Daily Values are based on a 2000 calorie diet.

**Daily value not established.

OTHER INGREDIENTS: FRUCTOSE, CITRIC ACID, STEVIA LEAF EXTRACT,
NATURAL TANGERINE FLAVOR.

Directions:

Dissolve (1) ISOTROPIN® packet, or amount recommended by your healthcare provider, in six to eight ounces of water. Let the effervescent powder fully dissolve. Stir and drink immediately. It is best to take ISOTROPIN® at bedtime two to three hours after the last meal. Take for five days and skip two days. Repeat cycle.

We recommend that you take ISOTROPIN® for a full 3 months before assessing your results. After the first 3 months regimen, skip 1 month and then repeat cycle.

Warning: Do not take this product if you are pregnant or nursing. **KEEP OUT OF REACH OF CHILDREN.** Not intended for people under the age of 18. If you are taking a prescription drug, always consult your physician or healthcare provider about possible drug interaction before taking any dietary supplement.

Store in a cool, dry place. Individual packets sealed for your protection.
