

Protection For The Stomach Lining and Intestinal Wall†

DGL (Deglycyrrhizinated Licorice) is well-researched for its safe and effective healing support of the gastrointestinal lining.† The stomach lining and intestinal walls are in a constant state of repair, and this repair process is supported by the powerful properties of DGL licorice.† Our unique formula also includes fennel, marshmallow and aloe vera to support overall health of the digestive tract lining.† Deglycyrrhizinated licorice is specially processed and standardized to remove the glycyrrhizin, a compound that may cause undesirable side effects.† This advanced formula is designed to soothe, protect and support gastrointestinal health.†

CONTAINS NO Artificial colors, flavors, or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.
