

DIRECTIONS FOR USE:

ANTIOXIDANT SUPPORT: Take 1 capsule daily.

IMMUNE SUPPORT: Take 2 capsules daily.

Do not use if carton seal is broken.

WARNINGS: Propolis may cause severe allergic reactions.

If irritation or swelling of the mouth or throat occurs, discontinue use and consult a healthcare practitioner. Not recommended for use by pregnant and lactating women.

Honey bees are clever

They make propolis by collecting resin from trees and combine it with beeswax and enzymes to seal and protect the hive.

Bee Propolis originates from a plant's defense system and contains over 300 powerful natural bioactive compounds, flavonoids and phenolics (antioxidants) which can support health and wellbeing.*
