

WORKS WITH ANY SENSIBLE
DIET AND EXERCISE PROGRAM

Note for customers of Zantrex-3 High Energy Fat Burner™ or original Zantrex-3: Zantrex-3 High Energy Fat Burner (red bottle), the original Zantrex-3 (blue bottle), and Zantrex Black are different formulations that work in different ways. For maximum weight-loss effectiveness and extreme high energy, take Zantrex Black every day as directed.

NOTE: Limit the use of caffeine-containing supplements, foods or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness and occasionally, rapid heart beat. For additional information on this product, please call our experienced customer service representatives at: 1-800-898-5153.

If you or your health-care provider have any questions, please call our customer service department at: 1-800-898-5153.

† Daily Value not established.

Other Ingredients: Soybean Oil, Gelatin, Glycerin, Water, Soy Lecithin, White Beeswax, Caramel (colorant). **CONTAINS: SOY.**

Directions for use: Take two softgels with a full glass of water, 15 minutes before main meals. **For a Significant Energy Boost:** Take one or two softgels as needed. **Do not exceed 6 softgels in any 24-hour period.** Use in conjunction with any sensible diet and exercise program. Individual results will vary.

Warning: Do not take Zantrex-3 High Energy Fat Burner (red bottle), original Zantrex-3 (blue bottle), or Zantrex Black at the same time. Do not substitute one product for the other. This product contains a significantly potent xanthine (i.e., caffeine and caffeine-like stimulants) mixture, of about 300 mg per serving. Consult your physician before use if you are taking caffeine-containing medications or if you are sensitive to stimulants. People sensitive to Niacin (Nicotinic Acid) may experience flushing of the skin that is generally mild and transient. Do not exceed suggested daily serving. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. Consult your physician before use if you are taking a prescription drug, or have a medical condition.

Use only as directed. Keep out of reach of children.
