**Daily Value (DV) not established.

OTHER INGREDIENTS: Dicalcium phosphate, gelatin (bovine), microcrystalline cellulose, maltodextrin, mannitol, stearic acid, titanium dioxide, FD&C Red #40, FD&C Yellow #5, FD&C Blue #1, and pharmaceutical glaze. Made in a GMP facility on equipment that processes milk, soy, egg, peanuts, tree nuts, fish, shellfish, wheat and sesame.

INGREDIENT NOTES: Bioperine® (Black Pepper Extract) is a registered trademark of Sabinsa Corporation. Citrulline Malate is licensed under U.S. Patents 5,874,471 and 6,028,107.

DOSEAGE: As a "core" or foundational pre-workout supplement, take a single pack 30-45 minutes before you lift, preferably on an empty stomach. As each pack also contains your full, daily dose of creatine, take Pump every day for optimal results. On non-training days, you can take the pack around the same time as you would if you were training. You can remove the red capsule (stim) on off days, or if you train at night.

WARNING: Contains caffeine. Do not use in combination with other caffeinated products. Exercise good judgment and keep this out of reach of children. Consult a physician before use. Not for use by those under 18. Do not use if pregnant or nursing. Discontinue use two weeks prior to surgery. To keep it as fresh as possible, store this product in a cool, dry place, away from heat, moisture and sunlight. You know the drill. California Residents: Δ WARNING: Reproductive Harm - www.P05Warnings.ca.gov. If you have a liver disorder, consult a healthcare practitioner prior to use. Stop use if you develop the symptoms of liver trouble such as yellowing of the skin/eyes (jaundice), stomach pain, dark urine, sweating, nausea, unusual tiredness and/or loss of appetite and consult a healthcare practitioner. Rare, unpredictable cases of liver injury associated with green tea extract-containing products have been reported (in Canada and internationally).
