LeptiTrim6

Imagine being able to set a new weight-loss goal, and having a better chance of hitting it while you spend 1/3 of your day in bed sleeping. With the help and support from LeptiTrim6 NightTime formula, it's a dream come true.

This collagen-based formula works with your body's natural sleep processes to help you get to that day when you think you've made it. It also helps you maintain "balance" to give you additional support for a glowing appearance from your skin, hair, weight, and beyond.*
