AferFIT™ is a registered trademark of Vidya Herbs, Inc. and used with permission.

^ In a randomized, double blind, placebo controlled study, 70 men and women took a placebo or AferFIT™ and followed their routine diet and exercise regimen for 12 weeks. Results from an ITT analysis of covariance showed that the increase above pre-treatment in those taking AferFIT™ burned an additional 171 more calories per day (225.5 calories per day vs. 54.32 calories per day) than the placebo group after 12 weeks.
