

THE ART Harnessing the authentic and revitalizing nature from the South of France, ResVit  le unveils its latest defense technology formula in support of healthy cellular aging that includes extract a rare variety of melon grown exclusively in the Luberon region of Provence.[§]

THE BENEFITS Overtime an ordinary melon wrinkles, ages and decays, whereas our remarkable French Melon variety stays fresh and firm longer. Our French Melon SOD Complex formula helps replenish your body's defense system against damaging free radicals and protect against oxidative stress, helping you maintain good health.[§]

THE PROOF Our concentrated source is the stabilized form of SOD that is freeze-dried and specially encapsulated.[§]

French Melon SOD Complex

Superoxide Dismutase (SOD) is one of the primary antioxidants mobilized as part of the body's defense against oxidative stress.[§]

Extracted from the unique selected variety of melon fruits *Cucumis melo* L., our naturally derived, patented ExtramelTM French Melon SOD Complex provides a nutrient-dense form of SOD.[§]

This powerhouse formula also combines the essential antioxidant nutrients Copper, Zinc and Manganese, all designed to provide protection against oxidative stress and help support cellular aging.[§]
