THE ART Our powerful dual-ingredient blend of Grape Seed Extract and *trans*-Resveratrol delivers important antioxidant protection.*

THE BENEFITS Grape Seed Extract is combined with our special Resveratrol Polyphenol Complex™ for healthy aging support. Resveratrol is a powerful polyphenol found in red wine grapes shown to be an important antioxidant for cellular health.*

THE SCIENCE Grape Seed Extract is a botanical that has a concentrated source of numerous naturally occurring polyphenols and bioflavonols. The bioflavonoids in grape seed extract help protect cell membranes from oxidative damage caused by free radicals.*
