

SUGGESTED USE

For male performance, take 1 capsule in the morning and 1 capsule in the afternoon 30 minutes prior to workout. **For sexual performance**, take 1-2 capsules 30-45 minutes before intimacy. No more than 1 serving (2 capsules) per day.

WARNING

KEEP OUT OF REACH OF CHILDREN. Consult with your physician before using this product. Do not use this product if you are pregnant or lactating, have a medical condition, or are taking prescription medications. Not intended for use by persons under the age of 40. Consult a physician or licensed qualified health care professional before using this product, including, but not limited to, if you have, or have a family history of, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other symptoms. Do not use if tamper resistant seal is broken. **Store in a cool, dry place. Avoid excessive heat.**

Due to the unique restrictions of amateur and professional sports organizations (e.g., WADA, NCAA, NFL, MLB, NBA, UIL, etc.), it is recommended that you consult with the appropriate governing body before taking this or any other dietary supplement product. This product contains DHEA (Dehydroepiandrosterone), which is banned by some sports organizations.
