

SERVING PROFESSIONAL HAIR GROWTH CLINICS SINCE 2002

DHT BLOCKER WITH IMMUNE SUPPORT by Advanced Trichology is the first formula to blend high quality DHT blockers with prebiotics, probiotics and inflammation support ingredients into a single hair growth support supplement. Use to support progressive hair growth, reduce the effect of DHT, support healthy immune function and promote maximum nutrient transfer to external cells.*

Since 2002, **ADVANCED TRICHOLOGY** products have been used in clinics as the primary dietary supplements included in clinical hair regrowth programs for men and women that produce dramatic results.*
