

RECOMMENDED USE: Source of non-essential amino acids involved in muscle protein synthesis. Helps to maintain normal blood glucose levels. Provides support for healthy glucose metabolism. Use as a zero carb, zero calorie sweetener as you would sugar.

CAUTION: Consult health care professional prior to use if pregnant or breastfeeding. Do not use if under cap seal is broken or missing.

DIRECTIONS: Stir into hot or cold beverages including mixes for ideal natural sweetness; add on top of fruit, pancakes and cereal or use in cooking as needed.

1/4 teaspoon (1.6g) is equivalent in taste to a teaspoon of regular sugar.

- Nourishing sweetness without the junk
- Helps maintain normal blood glucose levels
- Helps kick carb cravings
- Helps support healthy weight management
