Notice: Color, size or shape may appear different between lots.

OmegAvail™ Synergy delivers five beneficial fatty acids in one softgel: EPA and DHA from fish oil in its natural TruTG™ (triglyceride) form, GLA from borage oil, and oleic acid and palmitoleic acid from virgin organic macadamia nut oil and borage oil. It is molecularly distilled and filtered to ensure purity and to maximize the removal of metals, pesticides, PCBs, and other contaminants, Lipase is added to enhance the digestibility and mixed tocopherols (antioxidants) are added to enhance stability of the product. All DFH TruTG™ fish oil products are a minimum 90% natural TG bound omega-3 oils.

Does not contain gluten.
