

Vitamin D drives cognitive health, bone health, immune function and more. Vitamin K2 helps your body use calcium properly which impacts cardiovascular health and bone density. Individually they're crucial, but they're even better when paired together. **vitamin k2-7 plus d3** offers high potency K2-7 and D3 for synergistic total body health support.*

DIRECTIONS: Ages 18+ take 1 capsule daily with food or as recommended by a healthcare practitioner.

CAUTION: Do not exceed recommended dose. If you are taking anti-coagulant, anti-platelet medications, or have a bleeding disorder, consult with your healthcare provider before taking this product. If you are pregnant or nursing, taking any medication, or have a medical condition, consult with your doctor before using any dietary supplement. Keep out of reach of children. Use only if safety seal is intact.
