Recommended Use: As a dietary supplement, mix 30 grams (approx. one scoop) in eight ounces of water or any other beverage per day, or as directed by your health care practitioner.

PurePea™ Chocolate is a natural pea protein isolate, offering a high level of nutritional benefits. It is produced with a natural fermentation process which uses no chemical solvents. The raw materials, North American grown yellow peas, are not genetically modified (non-GMO).

PurePea™ Chocolate has an excellent array of amino acids, including high levels of BCAAs (branched chain amino acids). PurePea™ Chocolate's amino acid profile is similar to whey protein and is particularly high in arginine, leucine and lysine.

Does not contain gluten.

STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.
