

FORMULATION ONE is a multi-faceted formula built for MEN seeking to optimize performance in the key areas that matter most. Utilizing our "Synergistic Formulation Process", this ALL-IN-ONE formula merges carefully selected ingredients shown to maximize muscular development & recovery, elevate natural testosterone, improve sexual performance, increase mental focus, and provide energy. Enriched with a Lycopene based antioxidant blend, a Vitamin complex was then added with at least 100% of the U.S. daily values of Vitamins A, B6, B12, C and D. After reviewing the supplement facts (on the other side of this label) you'll understand the true meaning of "ALL-IN-ONE" supplementation.
