DIGEST ASSURE™

Complete Digestive Support
Powerful Plant-Based Enzyme Complex

Dietary Supplement | **360** Easy-to-Swallow Capsules

DIGEST ASSURE is a powerful, natural, plant-based enzyme complex designed to provide comprehensive support to the often challenging digestive process. Unlike typical digestive enzyme products, **Digest Assure's** comprehensive formula is entirely plant-based and contains no undesirable animal byproducts. It is formulated and balanced to promote the comfortable break down of the complex array of proteins, carbohydrates and fats we consume thus facilitating their digestion, absorption and utilization. Many factors, including stress, aging and medications, interfere with normal digestive function making complete and even more importantly, comfortable digestion extremely challenging. **Digest Assure's** blend of powerful, natural enzymes is designed to enhance the digestive process and as a result, enable us to more comfortably enjoy the benefits of our diet.
