GINKGO 120

plus

GINSENG 200™

Supports Memory and Brain
Combats Fatigue and Stress

Dietary Supplement | **240** Easy-to-Swallow Capsules

Andrew Lessman's **GINKGO120** plus **GINSENG200** is a unique blend of the highest quality standardized extracts from Traditional Chinese Medicine's most respected botanicals. **Ginkgo** and **Ginseng** offer a long list of benefits to support brain, memory and cognitive function, as well as helping to combat fatigue while promoting feelings of well-being. **Ginkgo Biloba** is the most researched botanical for memory and brain function. Our **Ginkgo** is validated to meet the *clinical standard* for **Ginkgo's** beneficial compounds. **Ginseng** has been used for thousands of years as an *adaptogen* to help us *adapt* and combat stress and fatigue while promoting well-being and positive outlook. Our **Ginseng** is standardized to be more potent than typical **Ginseng**. This unique formula is a natural tool to help with age-related changes in memory and mental function, as well as challenges to positive outlook and well-being caused by stress and fatigue.
