

SUGGESTED USE Consume 2 level scoops (approximately 1 teaspoon) daily. Two scoops is the equivalent of 5 capsules of our encapsulated **Glucosamine 1500 Chondroitin 1200 plus UC-II**, which is the clinically established level to achieve optimum results. You can increase or decrease your intake based upon your needs and as guided by your health care provider. Neither Glucosamine Sulfate nor Chondroitin Sulfate are readily water-soluble, so this product is not intended to be added to water, but instead, to smoothies, yogurt, oatmeal, applesauce, etc. **For questions about the use of this product call 800.800.1200.**

GLUCOSAMINE 1500 CHONDROITIN 1200™

plus UC-II® Undenatured
Type II Collagen

Scientifically Established Joint Support
Clinically Established Levels and Forms

Dietary Supplement | Bulk Powder | 21.5 oz (1.34 lbs) (609.1 g)

900 Capsule Equivalent

GLUCOSAMINE 1500 CHONDROITIN 1200 plus UC-II® delivers the optimum potencies and the ideal forms of the most critical ingredients for the repair and maintenance of healthy joints, along with the benefits of Undenatured Type II Collagen (UC-II). We begin with clinically-established levels of the most well-researched natural ingredients for joint health: Glucosamine Sulfate (1,500 mg) and Chondroitin Sulfate (1,200 mg). Often referred to as the first line of natural defense for joint health, these unique ingredients make up the structure of joint tissue itself. Their benefits also extend beyond our joints to the skin, arteries, veins and heart valves. Glucosamine Sulfate is the scientifically established form with proven benefits and **not** the all too common, inferior HCl (hydrochloride) form. Glucosamine and Chondroitin provide essential raw materials for optimum joint health and since UC-II stimulates the natural repair processes in joint tissue, the addition of UC-II only serves to enhance the already substantial benefits of this exceptional formula. Our joints endure a lifetime of use and abuse and this comprehensive formula is our perfectly balanced and common sense, natural response.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

UC-II® is a Lonza trademark, registered in the USA.

CONTAINS NO ADDITIVES OF ANY KIND

Supplement Facts

Serving Size	1 Scoop (1.7g) (½ tsp)		2 Scoops (3.4g) (1 tsp)
