ULTIMATE ANTI-OXIDANT EXTRACTS™

World Health · Spice of Life
Fruit Full & Cruciferous Extracts

Dietary Supplement | **360** Easy-to-Swallow Capsules

ULTIMATE ANTI-OXIDANT EXTRACTS is a blend of our most protective botanical formulas: World Health, Spice of Life, Fruit Full and Cruciferous Extracts. **Ultimate Anti-Oxidant Extracts** delivers protective polyphenols from Green Tea, Red Wine (Resveratrol) and Pomegranate, protective compounds from richly-colored berries (Açaí, Bilberry, Blueberry, Cranberry and Elderberry), powerful extracts from Cruciferous Vegetables (Broccoli, Wasabi, Mustard Seed, Red Cabbage, Brussels Sprouts and Kale), and benefits of Spice extracts (Deodorized Garlic, Curcumin (Turmeric), Oregano, Rosemary, Sage and Thyme). We also include the protective compounds found in Citrus Bioflavonoids, Apple, Pine Bark, Grape Seed and Grape Skin. In short, Ultimate Anti-Oxidant Extracts provides an array of naturally protective compounds from Mother Nature's healthiest foods. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
