Omega Cuts® features Core-Binding Technology™, creating a sports nutrition product that should be incorporated into any serious sports supplementation program. This anti-catabolic formulation binds the MCT Muscle Sparing and EFA Muscle Toning Blends together, which are designed to help your body burn fat without losing muscle. By retaining muscle, you create a higher muscle to fat ratio, which leads to a higher metabolism rate.*

SUGGESTED USE:

Take 2 softgels in the morning and 2 softgels before workouts. Stack with any PMD product or thermogenic for best results. *To be used as part of a physical conditioning program.*

WARNING:

Do not exceed recommended dose. Do not use if pregnant or lactating. If you are under the care of a physician, please consult your physician before using this product. Do not use if tamper resistant seal is broken.

KEEP OUT OF REACH OF CHILDREN, STORE IN A COOL, DRY PLACE, AND AVOID EXCESSIVE HEAT.
