

SUGGESTED USE: As a dietary supplement for adults, take one (1) tablet daily. If benefits are not achieved within two weeks, you may require a higher level of supplementation. Gradually increase the number of tablets up to four (4) tablets in divided doses daily (maximum 1,600 mg/day). In order to obtain maximum benefits, SAM-e should be taken on an empty stomach, at least 30 minutes prior to a meal.

WARNING: If you are pregnant, nursing, taking any medications, including antidepressants, or have any medical condition, including any mental health disorder, consult your doctor before use. May cause gastrointestinal discomfort. If any adverse reactions occur, immediately stop using this product and consult your doctor.
