

Supports Healthy Vision and Protects Eye Health after Excessive Blue Light Exposure†

EyeAstin™ is a powerful eye formula using clinically researched eye health ingredients. Astaxanthin, along with macular antioxidants lutein and zeaxanthin, supports eye health after long periods of digital screen time and improves visual performance after excessive blue light exposure from smartphones, tablets, laptops, and computers! When taken daily, EyeAstin supports healthy vision and normal eye function!†

Consult your healthcare practitioner before use if you are pregnant or nursing.
